

## MESSAGE FROM THE SENATE

A message from the Senate by Ms. Curtis, one of its clerks, announced that the Senate has passed with an amendment a bill of the House of the following title:

H.R. 2266. An act to amend title 28 of the United States Code to authorize the appointment of additional bankruptcy judges; and for other purposes.

**HOUR OF MEETING ON TOMORROW, AND ADJOURNMENT FROM FRIDAY, SEPTEMBER 29, 2017, TO MONDAY, OCTOBER 2, 2017**

Mr. MCCARTHY. Mr. Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 11:30 a.m. tomorrow; and further, when the House adjourns on that day, it adjourn to meet on Monday, October 2, 2017, when it shall convene at noon for morning-hour debate and 2 p.m. for legislative business.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

## SUICIDE PREVENTION

(Mr. HILL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HILL. Mr. Speaker, I rise today during National Suicide Prevention Month to call attention to this tragedy that is so prevalent and important throughout our Nation.

Suicide is the tenth leading cause of death in the United States, and, on average, there are 121 suicides per day. Far too many Americans, about one in five, are suffering from some form of mental illness, a problem that has disrupted too many families, caused too much violence, pain, and cost too many lives.

In Congress, we are working together on a bipartisan basis to bring needed reform to our mental healthcare system through the passage of the 21st Century Cures Act and the Clay Hunt Suicide Prevention for American Veterans Act.

The Central Arkansas Veterans Healthcare System, led by Dr. Margie Scott, is one of nine systems nationwide currently involved in the Clay Hunt pilot program.

This program gives our VA employees the necessary tools to reach out to high-risk veterans and offer guidance while providing essential suicide prevention services. Dr. Scott and Central Arkansas Veterans Healthcare System have made over 200 community connections throughout Arkansas to assist our veterans.

We all must work together and continue to move forward in addressing the issue of mental health and mental health access, and do what we can to save the lives of all American citizens and reverse this deadly trend of suicides.

**AUTHORIZATION FOR COMMUNITY HEALTH CENTERS AND CHILDREN'S HEALTH INSURANCE PROGRAM WILL EXPIRE ON SEPTEMBER 30**

(Mr. GOMEZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GOMEZ. Mr. Speaker, I can't believe Congress has closed legislative business for the week without addressing a critical deadline that will impact the health of our country. On September 30, authorization for the Community Health Centers and the Children's Health Insurance Program—CHIP—will expire.

Well, it is September 28, and we just closed legislative business. That means funding for this critical program will lapse and the health of millions of Americans will be in jeopardy.

Our Nation's Community Health Centers have served low-income, rural, and underserved communities for more than 50 years. In that time, they have increased the number of patients they serve and the services they offer so that they are now the primary healthcare option for millions of people.

CHIP is another program that Congress will allow to lapse.

No matter how big the differences between Republicans and Democrats, when it comes to healthcare, we have always come together to ensure our Nation's children do not go without the care they need, yet here we are leaving D.C. and abandoning the 9 million children on CHIP and the millions more at the Community Health Centers.

I ask that we come back into session and that we extend these critical programs.

**HONORING THE LIFE OF MAJOR GENERAL TIM LOWENBERG**

(Mr. NEWHOUSE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. NEWHOUSE. Mr. Speaker, I rise to honor the life and memory of Major General Timothy Lowenberg, former Adjutant General of the Washington State National Guard.

After attending law school, Tim served on Active Duty at McChord Air Force Base before joining the Washington National Guard as a Judge Advocate Staff Officer.

He was promoted to Adjutant General, honorably serving Washington State and our Nation. He stood up for our citizen soldiers, worked to ensure that the National Guard had the resources it needed, and oversaw multiple deployments to the Middle East.

In addition, Tim established the Washington Youth Academy, providing an education and opportunity for at-risk youth across the State.

As a member of the Washington legislature, I was pleased to work with

him on this, a cause that he was very passionate about, and was able to see his vision become a success.

Upon retirement, he continued to serve his country and community. He will be missed by many, but his legacy of determination, kindness, and dutiful service to Washington and these United States lives on.

Please join me in remembering Major General Timothy Lowenberg, my friend.

**HONORING THE ANNIVERSARY OF THE FOOD STAMP ACT OF 1977**

(Mr. PANETTA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PANETTA. Mr. Speaker, today I honor the anniversary of the Food Stamp Act of 1977.

Tomorrow, the program we know as SNAP—the Supplemental Nutrition Assistance Program—turns 40. We also know that before the implementation of SNAP, families couldn't afford healthy meals and kids were going to school on empty stomachs.

Today, thanks to this program, over 18,000 families in my district on the central coast of California count on SNAP benefits to put food on their tables at home and help their children feed their minds at their schools.

In my district, the number one industry is agriculture. We ship our many fresh fruits and vegetables all over the country and to even other parts of the world. As a representative of this area, it is my goal and it is my responsibility to make sure that the families in my district have access to the same nutritious produce that is grown in our backyard.

As a member of the House Agriculture Committee, under the leadership of Chairman CONAWAY, I look forward to working on the 2018 farm bill with my colleagues on both sides of the aisle so that we can support strong investments in SNAP. By doing that, we will support stronger families and a stronger future.

**THE 2018 FISCAL YEAR**

(Mr. ROTHFUS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROTHFUS. Mr. Speaker, this coming Sunday is new year's day, the start of the Federal Government's 2018 fiscal year.

Several weeks ago, Congress passed and the President signed a temporary spending bill to carry the government through December 8. This temporary bill was necessary because, although the House passed its spending bills, the Senate did not.

One of the more glaring problems with the CR is that it continues the years' long practice of shortchanging

our defenses and the men and women in our military. Defense spending and defense policy are frozen, and the changes this House has insisted on in both the Defense Authorization Act and the Defense Appropriations bill are stalled, to the detriment of our defenses and our men and women in uniform.

Secretary Mattis has written, "Long-term CRs impact the readiness of our forces and their equipment at a time when security threats are extraordinarily high. The longer the CR, the greater the consequences for our force."

The risks are real, Mr. Speaker. We see threats growing daily from North Korea and Iran. The fight continues against ISIS and against terror in Afghanistan, and now we need to deploy urgently needed resources to Puerto Rico. There is no need to wait until December 8 to get a full-year Defense Appropriations bill. I call on the Senate to act promptly next week even and get our troops funded.

#### ASSETS NEEDED IN PUERTO RICO AND THE U.S. VIRGIN ISLANDS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I am glad President Trump listened to Secretary Clinton and deployed the U.S. Naval Ship Comfort to Puerto Rico, even though it was 7 days after Hurricane Maria destroyed the island. But President Trump must do more and do it now.

Mr. Speaker, the President of the United States has a moral and legal duty to protect the well-being of our citizens. That is why today, right now, the President must order the Department of Defense to deploy all available assets to Puerto Rico and the Virgin Islands to prevent this catastrophe from getting worse.

The thousands of Puerto Ricans and all of the Virgin Islanders I represent deserve to know that our Nation's priority is their well-being, their families', their friends', and their fellow citizens' as well—American citizens.

#### LETTER CARRIER DONTÉ COTTON IS A HERO

(Mr. TURNER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TURNER. Mr. Speaker, I first want to welcome STEVE SCALISE back to this House floor. The strength of his message shows why he is such a hero to us all.

I also want to tell the story of another hero, one from my congressional district in Dayton, Ohio.

On April 5, 2016, letter carrier Donte Cotton saw an overturned car that had collided with a pole. The driver told Donte her child was inside the car. Acting on immediate instinct, Donte

crawled through broken glass to rescue the baby from the car. Both the mother and the child were taken to the hospital and treated for minor injuries.

In August of last year, Donte again found himself in the right place at the right time; again, on his letter carrying route.

While on his normal mail delivery route, an elderly woman, whose home had just been invaded, ran up to Donte seeking help. Donte drove the woman to a nearby police cruiser, ensuring her safety.

His courage is being rewarded this week by the National Association of Letter Carriers, which has given Donte its 2017 Central Area Hero Award.

Mr. Speaker, I would like to thank Donte for his acts of true heroism in our community.

#### PASS THE DREAM ACT

(Ms. GABBARD asked and was given permission to address the House for 1 minute.)

Ms. GABBARD. Mr. Speaker, Josue Fuentes was brought to Hawaii from El Salvador when he was 13 years old, where he was escaping rampant gang violence and domestic abuse at home.

He went to high school in Honolulu, made friends, got a job. But no matter what he did, he couldn't escape the dark shadow cast on his future because of his immigration status.

Josue describes DACA as a weight lifted from his back. He was empowered to apply for college. He bought a home and pursued opportunities that any of us would want for our children.

Today, he is a small business owner. He owns a landscaping company, he volunteers at his local church, and continues to give back to the Kaneohe community that he calls home.

I urge my colleagues to sign a discharge petition to bring the Dream Act to the floor for a vote so we can pass a permanent solution for Josue and millions of DREAMers across the country. Our Nation made a promise to these young men and women. We must uphold that promise.

#### CERTIFY THAT IRAN IS IN FULL COMPLIANCE WITH THE JCPOA

(Mr. CONNOLLY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CONNOLLY. Mr. Speaker, I rise today to call upon President Trump to certify that Iran is in full compliance with the JCPOA, otherwise known as the Iran nuclear agreement. To decertify at this time will destabilize the ability of the United States to engage in international agreements, especially those we initiated ourselves.

Our credibility is on the line, especially given the fact that the IAEA and the United Nations and the United States Government have certified that Iran is in compliance. It is in compliance on its centrifuges, enriched ura-

nium, the production of the plutonium reactor itself.

We want to make sure that we don't have a second nuclear front by decertifying Iran. It is important to the United States' interests, to the security of the world, and the security of Israel that this agreement be certified as in compliance.

#### HONORING CHINESE GENERAL SUN LI-JEN

The SPEAKER pro tempore. Under the Speaker's announced policy of January 3, 2017, the gentleman from California (Mr. KHANNA) is recognized for 60 minutes as the designee of the minority leader.

Mr. KHANNA. Mr. Speaker, I rise today to honor the late Chinese General Sun Li-jen. He was known as the ever-victorious general, and fought with valor against Axis forces in Burma during World War II.

General Sun's strategies on the battlefield were a combination of traditional Chinese military theory and American military training. He was an important ally for the United States and a popular figure among his people.

He was born in Anhui, China, and was the son of a Confucian scholar. He moved to the United States to attend Purdue University on a Boxer Indemnity Scholarship, and graduated with a degree in civil engineering.

As China fell deeper into political upheaval and war, General Sun believed he could be more useful as a soldier than as an engineer. He went on to attend the Virginia Military Institute, where he faced prejudice from other cadets.

When he returned to China, he advanced to the rank of colonel. In one of his earliest battles in World War II, he led troops to the defense of Shanghai and was wounded while leading his own men to safety.

After recovering from his injuries, he established a military training camp in southern China. The men at the camp were trained in both Eastern and Western military strategy.

General Sun is internationally renowned for his extraordinary service during the Battle of Yenangyaung in 1942. He saved the British First Burma Division by leading a regiment in a flanking maneuver. His bravery protected Allied forces from encirclement by the Imperial Japanese Army.

During this battle, General Sun was also given command of a small group from the British Second Royal Tanks, making him the first Chinese officer to command British troops.

In recognition of his victory in Burma, he was knighted by the United Kingdom and awarded the Legion of Merit by Franklin Delano Roosevelt. He was a friend of American Generals MacArthur and Eisenhower.

In the report that recommended General Sun for the Legion of Merit, the U.S. War Department wrote the following: "For exceptionally meritorious
